Reference: Pending Utility raise hike

DOCKETED BY

To Commissioners,

I want to voice my opinion for the up and coming rate hike for the utility companies. I WANT TO FILE MY NO VOTE FOR THIS MOVE!

Reasons; When the going gets rough (look at your history) all the big corporations raise their prices so that their fat pockets can stay fat. I feel all the LARGE companies that have made a profit all these years (not only the utilities, but the oil companies, banks, grocery stores and etc.) have not had to sacrifice. The only persons in the country that has had to sacrifice are the poor and low income citizens. Now the middle class is sacrificing big time. When the going gets rough (look at your history) all the big corporations raise their prices so that their fat pockets can stay fat.

PLEASE LET ARIZONA SHOW THE REST OF THE COUNTRY WHAT THEY ARE DOING TO HELP ALL OF THE POPULATION. GIVE US A BREAK.

So many people are doing with out some badly needed groceries and medicines to make their utility bills. The CEO's do not have to make that decision.
